To provide a vivid perspective on the profound and enduring impact of the World War II experience on American society.
Greetings

To our donors, members, supporters and friends,

For the Wright Museum of World War II, 2019 represented a year of building on 25 years of success and the implementation of a strategic plan within what we term, Project25. In conjunction with the celebration of the 25th Anniversary of the Museum, the year began with a transforming lead donation to Project 25, whose purpose is to renovate and redesign the flow for visitors and enhance the space for programming. This incredibly generous lead gift, along with other leading donations, initiated the funding that enabled the first construction phase to begin in December of 2019. Before construction began, nearly 20,000 visitors enjoyed programs and exhibits from May to November.

The following pages encapsulate 2019 with a major emphasis on images of the practical redesign of existing space in the Museum. Since a picture is almost as good as visiting, we wanted to share these enhancements to entice you to come experience these changes.

The Board and staff are extremely grateful for the generous donations received for this first phase and for the thoughtful planning and work by many involved with the Museum. We also want to express our gratitude to the loyal annual fund and membership supporters who meaningfully sustain the Museum.

The Wright Museum will be well positioned for many years to come by this first phase of improvements. The collaboration by those involved in Project25 teams has focused on updating spaces and systems for an enhanced visitor experience. The following are some of the highlights:

- The education programs will have comfortable and ample seating and sight lines for attendees, supported by new technology.
- The gallery layout will be better able to house new national exhibitions.
- The archive space will house the artifacts in a larger and more modern environment.
- The Museum’s Vehicle Collection will be rotated more efficiently through the use of a dedicated maintenance garage off-campus.

We hope you enjoy the following pages that document the Wright’s Project25 enhancements. We look forward to seeing you when the doors reopen in May. We invite you to see the initial results and celebrate with us while enjoying our outstanding 2020 exhibitions and education programs.

With gratitude from the Board and Staff,

Anne Blodget
Board President

Michael Culver
Executive Director

*As of this writing, in March of 2020, it is challenging to project what the effects of the COVID-19 event will be on the 2020 season. The Museum will be ready to welcome the community with everyone’s health and safety in mind, first and foremost.*
We had visits from 34 school groups and more than 50 tour groups, including:

- Berwick Academy
- Bow High School
- Brewster Academy
- Cardigan Mountain School
- Crotched Mountain School
- Dover High School
- Gilmanton
- Hollis Brookline Middle School
- Home School Group
- Hudson Memorial Middle School
- Kearsarge Regional High School
- Keene High School
- Kingswood Youth Center
- Madison Waldorf School
- Merrimack High School
- Monterion
- Newfound Regional High School
- Pembroke
- Pine Tree Academy
- Plymouth Regional High School
- Polish Language School
- Rochester Learning Academy
- Sacopee Valley Middle School
- Sanford
- Seacoast Christian School
- St. Thomas Aquinas
- Victory Baptist School

Annual Giving

Contributions are a vital source of support for both programs and Museum operations.

The Wright Museum has both ongoing and annual fundraising programs.

In Kind Donors

In kind donations and event sponsors provide critical support. They are an indication of the strength of our relationships within the community.

Grants

- Muriel Graham
- Bank of New Hampshire, Museum Trail Grant

Brick Donors

68 bricks purchased by supporters in 2019 raised $6,800 for the Wright Museum. Each brick is a memorial permanently installed as part of the Wright memorial garden.

The Wright Museum is a gem of a destination for families in New Hampshire, rich with WWII history and memorabilia from “the greatest generation.” Service Credit Union has been proud to partner with the museum for several years as we join them in their appreciation of the enduring contributions made by World War II-era Americans and Veterans.

– Aimee Sundstrom, Manager, Community Relations, Service Credit Union
Celebrating 25 years of history by mapping out our next 25 years.

After three years of planning, the first construction phase of the project began in late December. Enjoy this sneak peek into phase 1:

- Expansive new gallery space
- Scaping the lobby floor
- Reconfigured lobby
- Chapel with new glass walls
- New educational center, ready for painting
- Weapons case being installed next to the barracks
Our Board worked closely with consultants, community members and others to develop a master plan that defines our future.

– Executive Director Mike Culver

– Executive Director Mike Culver
I REALLY like the Wright Museum of WWII because anytime I think of the Museum it brings me back to the basics – and the basics are this: without the tremendous sacrifice of our WWII veterans aka “The Greatest Generation” life today as we know it would not exist - PERIOD.

– Dan Marrone
FINANCIAL STATEMENT 2019

Revenue
Grants and Contributions .......... $1,396,759
Admissions ......................................... $126,892
Gift Shop ............................................... $42,905
Memberships ....................................... $36,199
Net Investment Results ................... $430,400
Other....................................................... -$2,703

Total Revenue .................. $2,030,452

Expenses
Program Services ......................... $394,008
Supporting ............................................ $261,527

Total Expenses ...................... $655,535

We have visited this wonderful museum 3 times and each time was better than the last. Exhibits have increased and the staff is very knowledgeable and pleasant. This should be a MUST see for the new generation so they can understand what people sacrificed/endured in those days so they could enjoy what they have today. This is a wonderful walk through history.

We are grateful to our military heroes for their service to our country. Northeast Delta Dental is proud to have many veterans on our team; what better way to honor them all, than to preserve our military history by supporting the Wright Museum of World War II.
